```
Tom: Bb
   Gm
                  Cm
The buttons on the white blouse
                 Bb
That you wore that night
 Gm Am D7
                        Gm
                   To unbutton right
Trying a bit shyly
                  F7
             Cm
One by one they openned Far enough to see
Eb Cm D7 Gm Eb Cm Gm
A little more of you That you gave to me
    Cm
                F7 Bb
Lovers give themselves Always wanting more
       Am D7
Pillows in disorder Clothes upon the floor..
    Cm
                  F7
                             В
I'm that one to hold And lips that need to touch
      Eb Cm
                            D7 Eb
Whispering the words That can mean so much
             Cm F7
                         Bb
Outside it was raining The raincoat on the wall
               Cm D7
Was watching every moment Never spoke at all
```

And that same white blouse That finally openned right
Eb Cm D7
Fell into a corner and
