

# Roberto Carlos - Negra

Tom: C

Ela é negra, negra, negra

Como a noite

Cor do meu cabelo liso

Cor do asfalto onde piso

E me leva aos braços dela

Ela é quente quente quente

Como um dia de verão

Como o sol que eu peço tanto

Que me faça igual a ela

Pra que eu viva junto dela

Pra que eu tenha a mesma cor

Ah, quem dera eu esquecer

Da minha cor tão branca  
E me perder nessa ilusão tão pura

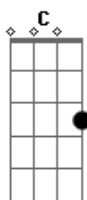

Nessa ilusão tão meiga

Nessa ilusão tao negra, negra

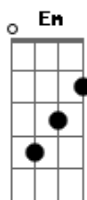

Nessa ilusão tão meiga, meiga

Nessa ilusão tão negra, negra
