

Roberto Ribeiro - Coisas da Vida

tom:

Intro: Dm Gm A7 Dm

E o sol já não brilha

As flores sem perfume

Natureza ausente

Numa vigília afora, oi

Numa vigília afora

Numa vigília afora

Um pandeiro calado

Um cavaco quebrado

Um apito entupido

Um surdo sem marcação

Uma sandália esquecida

Num terreiro vazio

Uma vela se apaga

Num pires cheio de pó

Uma mosca enjoa

Há mau cheiro na vala

Pano sujo na mesa

Toalha que lima a cara

E se falar a verdade

Das coisas tristes da vida

No peito tristeza é que dói

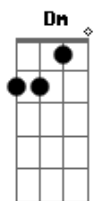

Assim eu levo meu canto

Sangrado em desencanto

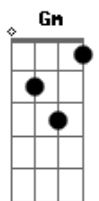

E se me alerto pra vida

É obra de puro espanto
