Meu pesadelo é teu bom sono
Minha dor e meu cansaço tua luz
Reluz teu manto em meus farrapos
Meu trabalho é tua glória e minha cruz

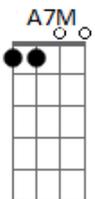

É do braço que sai tua força
Do bagaço do meu corpo o teu mel
São minhas mãos que forjam teu reinado

Meu suor é meu inferno e teu céu

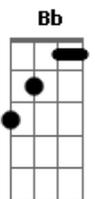

Na podridão dessas paredes
Que me envolvem de umidade e bolor
É do meu frio, fome e sede
Que geras teu calor

Meu desalento cria teu orgasmo
Espasmo de fartura e prazer
Ganância de fortuna e poder
Loucura de ser rei, deus
