

Robin Thicke - Full Time Believer

Tom: C

Intro (Em Em D7 D7 Em A7 D7 D7)

(Em Em D7 D7)
 She's the girl you see
 Walking down the street
 Holding her head high
 Unstoppable
 She's confident
 Got a laser eye
 Swinging to her own beat
 And an a smile
 She's a winner
 Ooo
 She is where it's at
 She's as loud as an owl
 She can stop the whole crowd
 She is heaven lent

Dm

'Cause I know they want her back

(Em A7 D7 D7)
 She's a full time believer
 She wakes up early everyday
 Yeah 'cause she's a
 Full time believer
 And she can care less what you say
 Yeah 'cause she's a
 Full time believer

D7

Don't you get in her way

(Em Em D7 D7)
 She combs her hair
 With her diamond eyes
 Staring at herself
 'Cause she looks so fly
 She can't help but show it
 She's got that glow
 And you know it, and I know it, and they know it
 She's the rarest flower
 An astrological find
 And when she stretches on by
 She blows my mind
 She don't need nobody
 I only wish she was

D7

All mine...

(Em A7 D7 D7)
 She's a full time believer
 She wakes up early everyday
 Yeah 'cause she's a
 Full time believer
 And she can care less what you say
 Yeah 'cause she's a
 Full time believer

Everyday...

Passagem (Dm C F Bb Dm C D Dm C F Bb Dm G7 C Db D D7)

(Em A7 D7 D7)
 She lays in bed
 With a real hard book
 'Bout a chinese girl
 And a chance she took
 She defines all lines
 Maybe wrote the law
 Oh, her daddy would be proud
 If he was still around
 She turns the light off

D7

B7

And dreams of kings and gold

(Em A7 D7 D7)
 Can't touch her soul
 Or keep her under control
 She's a leader to be
 Something you're gonna see
 She made me a,
 A full time believer
 Now I get up early everyday
 I'm trying to be a,
 A full time believer
 I'm hoping that for me you will pray
 I want to be a,
 A full time believer
