

# Robin Zander - In This Country

Tom: **A**  
Intro: **D G A D**

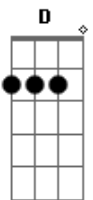

**D**  
The miles go by  
**A G**  
Like water under the bridge  
**A**  
Reach for tomorrow  
**D A**  
With the new sunrise  
**Bm**  
The road before us  
**G**  
Leading to what we need  
**Em**  
Right from the start  
  
Follow your hearts  
**A**  
Giving more than we receive  
  
**A G**  
'Cause in this country  
**A**  
Our hearts are open  
**D A G**  
We are free to try again  
**Em**  
When we see  
**A**  
What will be  
**D**  
Again we believe  
**A G**  
'Cause in this country  
**A**  
Our hearts are open  
**D A G**  
We are free to try again  
**Em**  
When we see  
**A**  
What will be  
**D**  
Again we believe  
  
[Solo] **D G A D**  
  
I travel on an open road  
**G A**  
To the future today

A restless heart  
**D A**  
Knows when he's ready to go  
**Bm**  
the never-ending miles unfold  
**G**  
As far as I can see  
**Em**  
Right from the start  
  
Follow your heart  
**A**  
No matter where the path may lead  
  
**A G**  
'Cause in this country  
**A**  
Our hearts are open  
**D A G**  
We are free to try again  
**Em**  
When we see  
**A**  
What will be  
**D**  
Again we believe  
**D G**  
You know the road is to tomorrow  
**Bm G**  
Will you ride along with me again ?  
**D**  
Give my life for yours  
**G**  
If you only say the word  
**D G**  
From the past to the new  
**A**  
Giving more than you receive  
  
**A G**  
'Cause in this country  
**A**  
Our hearts are open  
**D A G**  
We are free to try again  
**Em**  
When we see  
**A**  
What will be  
**D**  
Again we believe  
  
[Final] **D G A D**
