

# Robson Cavalcante - Versinho

Tom: **D**  
Intro: **D G D G**

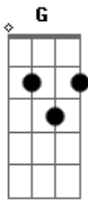

**D** **G**  
Olhei pro teu corpo despido de toda vaidade  
**D** **G**  
Falei que era simples a forma mais linda de ver  
**Gbm** **Em**  
Você com a minha camisa folgada e amassada  
**Gbm** **Em**  
Sem máscaras e sem escudos procurando saber  
  
**Gb7** **Bm**  
Se eu já tinha falado o mesmo pra outra mulher  
**Gb7** **Bm**  
E se existe outro alguém no mundo que ainda me quer

**A7**  
Eu que não me contento em ficar  
**D**  
Somente no toque e faço estoque  
**A7**  
De versos, rimas pobres, mas  
  
**G** **Gbm**  
Cheio de anseio  
**Em** **Gbm**  
Que o versinho seja meio  
**G** **A**  
Pra trazer o coração  
**D**  
De vez
