

Rod Stewart - Amazing Grace

Tom: **G**

Every Picture Tells a Story

I heard Rod's version of this the other day and had to learn it straight away - I'm no-one's tabbed it before.

It's based a round a **D** shape. You can tune the bass **E** down to a **D** for a little bit and use it in place of the open **D** if you wish.

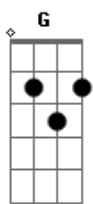

This version on 'Every Picture' probably has some slide on it and a little bit of a too. Feel free to add detail around this core.

Amazing grace,
How sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see
