Verse 1

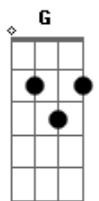

**G** Riff 1  
Fare thee well my brother  
**A**  
please don't stand in my way  
**G** **D**  
I'm going down to that dirty town  
**A**  
no matter what you say  
**G** Riff 1  
You fooled me and you ruled me  
**A**  
and you played in every part  
**G** **D**  
I gotta go, it's no use me stayin' home  
  
**G** Riff 1  
Goodbye my sister  
**A**  
please don't let me see you cry  
**G** **D**  
Gonna be a star some day  
**A**  
no matter what they say  
**G** Riff 1  
And when you hear the crowds  
**A**  
all callin' and shouting out my name  
**G** **D**  
until then, my little friend, I'll be unsatisfied  
  
**G** Riff 1  
So long sweet Melinda  
**A**  
don't forget that you're my girl  
**G**  
Gonna dress you fine  
**D**  
and if you give me time  
**A**  
make you proud like I said I would  
**G** Riff 1  
And if the Champs Elysee's no fallacy  
**A**  
If I find the world looks like it should  
**G** **D**  
Candy cars, movie stars, street bars  
  
then I could stay a while

**G** **D**  
Well I love you  
**A**  
Shall I write or phone from Paris or Rome  
**G** **D**  
and I'll miss you all  
**A**  
even tho' you're tryin' to hold me back
