

Rod Stewart - I don't want to talk about it

Tom: **A** to my heart, oh my heart.

(inrto) **Bm** **E** **A** **A7**

Bm I can tell by your eyes,
that you've probably been crying forever.
And the stars in the sky don't mean nothing,
to you they're a mirror.

D **E** **A** **E**
Gbm I don't wanna talk about it, how you broke my heart.

D If I stay here just a little bit longer,

D If I stay here won't you listen
Bm **E** **A**

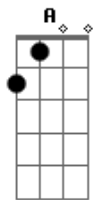

Bm If I stand all alone,
E will the shadows hide the colours of my heart.
(Blue for the tears, black for the nights).
Bm Well, the stars in the sky don't mean nothing,
A **A7** to you they're a mirror.

D **E** **A** **E**
Gbm I don't wanna talk about it, how you broke my heart.

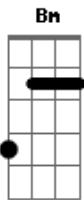

D If I stay here just a little bit longer,

D If I stay here won't you listen
Bm **E** **A**
to my heart, oh my heart.
