

Rod Stewart - It's Over

Tom: C

Intro: C F Dm Dm7 F

The congregation sang, we knelt and prayed
 As we stood before God on that beautiful day
 Church bells rang and the champagne flowed
 As our friends gather round for the wedding photo
 And here we are barely five years on
 And our whole world's falling apart
 All the plans we had together, Up in smoke and gone for ever
 Poisoned by the lawyer's letter, It's over
 I don't want our kids to suffer, Can't we talk to one another
 You were once my wife, my lover, It's over
 Rumours and whispers tear me apart, but I know you better than that
 [Solo] C F Dm Dm7 F
 Inseparable were we with a breeze in our sails
 Now I feel a chill wind of a marriage that failed
 And our friends are divided, they've taken their sides

Now they all sit back, and watch the circus unwind
 I don't stand here trying to focus the blame
 But I'm hurting deep down inside
 All the pain and all the grieving, When did we stop believing
 Too late now to stop the bleeding, It's over
 What's the sense in pointing fingers. Who's the saint and who's the sinner
 There ain't gonna be a winner, It's over
 Oh my dear, what happened to us, Tell me where did it all go wrong
 [Solo] Am F Am F Am F Am F G A
 What's the use in keep on fighting, All the tears, all the crying
 Why do we keep denying, It's over
 In all the time I thought I knew you, Don't forget our children's future
 I would do whatever suits you, Oh yeah
 It's over It's over Yeah, It's over
