

# Rod Stewart - Lost In You

Tom: **G**

**G**  
Hey baby

**C**  
You've been on my mind tonight

**G**  
**C**  
I'm so lonely I just had to sit down and write

**G**  
I spent all yesterday

**C**  
Trying to figure out what i'm gonna say

**G**  
One letter from the heart

**C**  
Is so hard to start, baby

**G**  
How's your momma how's the weather

**C**  
How's that son of mine, yeah

**G**  
Hey baby

**C**  
Been a long time since we made love

**G**  
**C**  
I'm stone cold, the bed's hard, and the work is tough

**G**  
I'm never gonna leave you again

**C**  
This job ain't worth the pain

**G**  
No money in the world

**C**  
Ain't worth being away from you

**G**  
Ooh baby I don't sleep

**C**  
Without you by my side, listen

**Em** **D**  
I'm in love with you woman

**G** **C**  
It's a common known natural fact

**Em** **D**  
And i've found what i'm looking for

**G** **C**  
And so much more than that

**G** **C**  
I'm lost in you

**G** **C**  
I'm lost in you

**G** **C**  
I'm lost in you

**G** **C**  
I'm lost in you

Hey baby  
You don't know what you've done for me  
I'm so happy as any man can deserve to be  
I was living in a life of sin  
God knows what a mess I was in  
So glad you found me  
I ain't getting any younger  
Hey baby, I just hope  
It ain't all a dream

**Em** **D**  
I'm in love with you woman

**G** **C**  
It's a common known natural fact

**Em** **D**  
And i've found what i'm looking for

**G** **C**  
And so much more than that

**G** **C**  
I'm lost in you

**G** **C**  
I'm lost in you

**G** **C**  
I'm lost in you

**G** **C**  
I'm lost in you

I miss you, baby  
(I miss you, too)

I miss your laughing eyes  
I miss our baby crying  
I wanna lay you out  
And kiss you all over  
I'm coming home real soon  
Be ready cause when I do  
I'm gonna make love to you  
Like fifteen men

I'm lost in you  
And I love it  
I'm lost in you  
And I love it  
I'm lost in, I'm lost in  
I'm lost in you  
And I just love it (repeat and fade)
