

Rod Stewart - Still The Same

Tom: C

Intro: C C2 Em G /
C C2 Em G / /

VERSE 1:

You always won, ev'ry time you placed a bet.
You're still damn good; no one's gotten to you yet.
Ev'ry time, they were sure they had you caught,
you were quicker than they thought.
You'd just turn your back and walk.

VERSE 2:

You always said, the cards would never do you wrong.
The trick you said, was never play the game too long.
A gambler's share; the only risk that you would take,
the only loss you could forsake,
the only bluff you couldn't fake.

CHORUS:

And you're still the same.

I caught up with you yesterday.

Movin' game to game; no one standin' in your way.
Turnin' on the charm - long enough to get you by.
You're still the same. You still aim high.

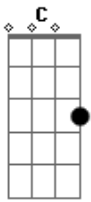

VERSE 3:

Instrumental ...
Instrumental ...
There you stood; ev'ry body watched play.
I just turned and walked away.
I had nothing left to say.

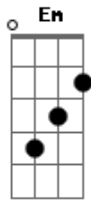

OUT-CHORUS (repeat & fade):

And you're still the same.
And you're still the same.
Movin' game to game.
Some things never change.
And you're still the same.
