

# Rod Stewart - You're in my Heart

Tom: A

E Ebm  
I didn't know what day it was  
Dbm B  
When you walked into the room.  
E Ebm  
I said 'hello' unnoticed;  
Dbm B  
You said goodbye too soon.

E Ebm  
Breezin' through the clientele,  
Dbm B  
Spinnin yarns that were so lyrical.  
E Ebm  
I really must confess right here,  
Dbm B  
That the attraction was purely physical.

E Ebm Dbm B

E Ebm  
I took all those habits of yours,  
Dbm B  
That in the beginning were hard to accept.  
E Ebm  
Your fashion sense for Beardsley prints,  
Dbm B  
I put down to experience.

E Ebm  
The big bosomed lady with a dutch accent  
Dbm B  
Who tried to change my point of view.  
E Ebm  
Her ad lib lines were well rehearsed,  
Dbm E A  
But my heart cried out for you.

D A  
You're in my heart, you're in my soul.  
D A  
You'll be my breath should I grow old.  
D A A  
You are my lover, you're my best friend.  
Bm A Eb  
You're in my soul.

E Ebm  
My love for you is immeasurable;  
Dbm B  
My respect for you: immense.  
E Ebm  
You're ageless, timeless, lace and fineness,  
Dbm B

You're beauty and elegance.

E Ebm  
You're a rhapsody, a comedy,  
Dbm B  
You're a symphony and a play.

E Ebm  
You're every love song ever written,  
Dbm E A  
But honey what do you see in me?

D A  
You're in my heart, you're in my soul.  
D A  
You'll be my breath should I grow old.  
D A A  
You are my lover, you're my best friend.  
Bm A Eb  
You're in my soul.

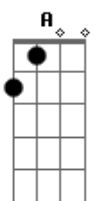

E Ebm  
You're an essay in glamour. (Please pardon the grammer.)  
Dbm B  
But you're every schoolboy's dream.  
E Ebm  
You're Celtic united, but baby I've decided  
Dbm B  
You're the best team I've ever seen.

E Ebm  
And there have been many of days,  
Dbm B  
Many times I thought to leave.  
E Ebm  
But I bite my lip and turn around,  
Dbm E A  
Cause you're the warmest thing I ever found.

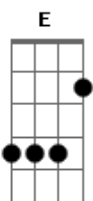

D A  
You're in my heart, you're in my soul.  
D A  
You'll be my breath should I grow old.  
D A A  
You are my lover, you're my best friend.  
Bm A Eb  
You're in my soul.

D A  
You're in my heart, you're in my soul.  
D A  
You'll be my breath should I grow old.  
D A A  
You are my lover, you're my best friend.  
Bm A  
You're in my soul.
