

# Rodrigo Amarante - I Can't Wait

tom:

Intro: C7M Am C C  
C7M Am C C B7

[Primeira Parte]

C7M Am  
I can't wait  
C C  
Serenading hope a song for idle hands  
C C B7 Am  
Warm enough to make you sleep

Until it burns  
C7M Am  
It's a flameless pyre  
C7M Am  
When it breaths awake  
C C  
With the wind in turn  
C7M Am  
I don't believe in fate  
C C B7  
I respect the fire in dreams that wake

[Refrão]

Am D G C  
Our hearts beat as one  
Am D G C  
That old dream of ours  
Am D G C  
To be free is to belong

[Solo] C7M Am C C  
C7M Am C C B7

[Segunda Parte]

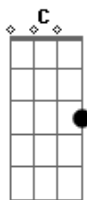

C7M Am  
I can't wait  
C C  
While parading robes are out  
C7M Am  
To quite a dance  
C C  
Cold enough to make you freeze  
B7  
Before it hurts  
C7M Am  
In all heartless ire  
C7M Am C C  
There's a boy afraid to be left alone  
C7M Am  
I won't rely on faith  
C C B7  
I reject the choir of mirrored praise

[Refrão]

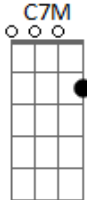

Am D G C  
Our hearts beat as one  
Am D G C  
That old dream of ours  
Am D G C  
To be free is to belong  
B7 C  
So don't wait on above  
B7 C  
And don't blame on below  
B7 C  
Is it chance when you stand?

[Final] C7M Am C C  
C7M Am C C
