

Rodrigo - Disritmia

tom:

Am

Eu quero me esconder debaixo
 Dessa sua saia prá fugir do mundo
 Pretendo também me embrenhar
 No emaranhado desses seus cabelos
 Preciso transfundir seu sangue
 Pro meu coração, que é tão vagabundo

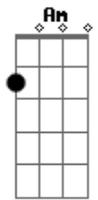

Dm Am
 Me deixa te trazer num dengo
 Pra num cafuné fazer os meus apelos
 Dm Am
 Me deixa te trazer num dengo
 Pra num cafuné fazer os meus apelos

Am Am7
 Eu quero ser exorcizado
 Pela água benta desse olhar infindo

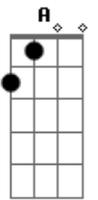

A A7
 Que bom é ser fotografado
 Mas pelas retinas desses olhos lindos

Dm Bm7 E7
 Me deixe hipnotizado pra acabar de vez
 Com essa disritmia
 Dm Am
 Vem logo, vem curar teu nego
 E7 Am
 Que chegou de porre lá da boemia
 Dm Am
 Vem logo, vem curar teu nego
 E7 Am
 Que chegou de porre lá da boemia
 Dm Am
 Vem logo, vem curar teu nego
 E7 Am
 Que chegou de porre lá da boemia
 Dm Am
 Vem logo, vem curar teu nego
 E7 Am
 Que chegou de porre lá da boemia
