

# Rogério Eugênio - Have Faith

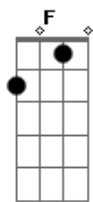

Tom: F

Intro: ( F C Dm Bb )

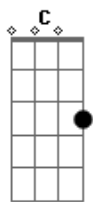

Have Faith  
And seas will open  
And the mountains will tremble  
And the impossible will happen  
Have Faith  
And nothing can stop  
Your victory to come  
The name that is above every name  
Call unto him and he answers you  
( F C Dm )  
There is no impossible for God

He sets the prisoners free, saves the lost ones  
He sets the heart of the oppressed free  
He is strong, he is tremendous  
He is the Lord  
Have Faith  
And seas will open  
And the mountains will tremble  
And the impossible will happen  
Have Faith  
And nothing can stop  
Your victory to come  
Your victory to come  
Your victory to come
