

# Rogério Skylab - Matador de Passarinho

tom:

Intro: F Gb G7 Am  
 Dm Dm Gm C7  
 F Gb G7 Am  
 Dm Dbm C

[Primeira Parte]

Aqui tem João-de-barro  
 Pintassilgo, pintarroxo  
 Pica-pau e colibri  
 Aqui tem canário-belga  
 Araçonga, assum-preto  
 Curió e bem-te-vi

( C7 Bb7 A7 )

Aqui tem tanta andorinha  
 Cambaxirra, quero-quero  
 Rouxinol e juriti  
 Que servem de tiro ao alvo  
 Para espantar o tédio  
 E o vazio do existir  
 Pah! Pah! Pah!

[Refrão]

 Matador de passarinho

[Segunda Parte]

Tico-tico, quando voas  
 Tico-tico, tu pareces  
 Um teco-teco no ar  
 Tico-tico, quando cantas  
 Me lembro da minha infância  
 Feriado em Paquetá  
 ( C7 Bb7 A7 )  
 Tico-tico, tão arisco  
 Tico-tico, tu beliscas

Uns grãosinhos de fubá  
 Tico-tico, me perdoa  
 Mas me vem uma vontade  
 Não posso me segurar  
 Pah! Pah! Pah!

[Refrão]

 Matador de passarinho

[Terceira Parte]

Beija-flor, de flor em flor  
 Beija-flor, tu és o rei  
 Beija-flor, te quero bem  
 Beija-flor, se tu soubesses  
 Beija-flor, ah! Se eu pudesse  
 Beijaria flor também  
 ( C7 Bb7 A7 )  
 Beija-flor, tu vais levando  
 Numa nuvem cor-de-rosa  
 Grãos de pólen para quem?  
 Beija-flor, tu és tão lindo  
 Mas chegou a tua hora  
 Não beijarás mais ninguém  
 Pah! Pah! Pah!
