[Primeira Parte]

I don't speak too much, so you can't
Help but wonder
If I'm still in love, dirty hands from
All your trauma
I'm digging up, fifty states away but
Honey
I'm thinking of you

[Refrão]

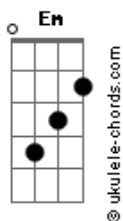

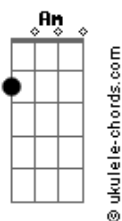

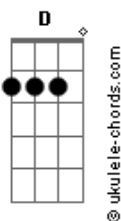

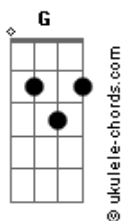

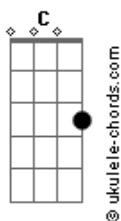

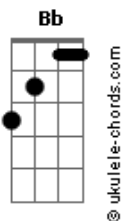

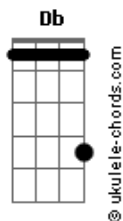

And ooh, we're hanging on by threads
And I can't hold it any harder on my
End, no
Ooh, I'm something to regret
But without you, what am I? Oh, Gemini
Please remember my name
Remember my name, mm, mm
Remember my name, mm, mm

[Segunda Parte]

Don't hesitate to call me up and curse
Me out
Self-medicate 'til I start hearing
Voices
And I levitate, then r?alize they
Aren't yours
And now I'm d?vastated, yeah

[Refrão]

I remember your face from time to time
I remember the taste of cheap red wine
I remember those days I called you mine
Called you mine, called you mine

I remember the taste of cheap red wine
I remember those days I called you mine
Called you mine, called you mine
