Roller Derby - Underwater

```
                              tom:
                 C

            C                  Em
Clouded view, an empty seat
Dm                  G
I can see you only in my dreams
C                   Em
Will there ever be someone like you?
Dm              G
Or am I lost in time?
    C             Em    Dm
And I, I want to hide underwater
G
With you with you
C             Em    Dm
I, I want to hide underwater
G
With you with you
C             Em
In my mind a sweet appeal
Dm                      G
Can't tell if this imitation is real
C               Em
Was there ever someone like you?
Dm              G
Or am I lost inside?
F             Dm
Where are you now?
Am                  C
I'll never let you go, she said
F             Dm
Where are you now?
Am                  G
I'll never let you go. Don't let you
C             Em    Dm
I, I want to hide underwater
G
With you with you
C             Em    Dm
I, I want to hide underwater
G
With you with you
C             Em
In my mind a sweet appeal
Dm                      G
Can't tell if this imitation is real
C               Em
Was there ever someone like you?
Dm              G
Or am I lost inside?
F             Dm
Where are you now?
Am                  C
I'll never let you go, she said
F             Dm
Where are you now?
Am                  G
I'll never let you go. Don't let you
C             Em    Dm
I, I want to hide underwater
G
With you with you
C             Em    Dm
I, I want to hide underwater
G                       C
With you with you in my arms
   Em       Dm
My arms my arms
G                       C
I want you I want you in my arms
   Em       Dm
My arms my arms
G
I want you I want you
C                  C7
Eyes, once in my life
          F
One in a million times waiting
   C                 E7
To cry one thousand tears
          F        G     G7
Once in a million years
C             Em    Dm
I, I want to hide underwater
G
With you with you
C             Em    Dm
I, I want to hide underwater
G                       C
With you with you in my arms
   Em       Dm
My arms my arms
G                           C
I want you I want you in my arms
   E        F
My arms my arms
G7
I want you I want you
```
