I know you're all moved on and it's hard to see

A
Yeah, my baby didn't get us here

D
And I'd kill to make it right again

Bm Em
And I know what you think

A D
Yeah, he never cries and he never really has for me

Bm Em
But I cry inside of me

A
Instead of out my eyes

D
It pours in my drink

Bm Em
And I try to stop and think

A
But I'm buzzed out my mind

D Bm
And it's getting hard to see, yeah

Em
Got my head stuck up with things that were impulsive

A
Was always reaching, always trying to fucking start shit

D
I got lost within my ways and I've fallen on my face

Bm Em
And I know what you think

A D
Yeah, he never cries and he never really has for me

Bm Em
But I cry inside of me

A
Instead of out my eyes

D
It pours in my drink

Bm Em
And I try to stop and think

A
But I'm buzzed out my mind

D
And it's getting hard to see, yeah

Bm Em
I cry, I cry, I cry in me

A D
I cry, I cry, I cry in me

Bm
And I don't really want to say much

Don't want to make myself a victim

A
'Cause I put us here

D
And I'd kill to make it right again

Bm Em
But I cry inside of me

A
Instead of out my eyes

D
It pours in my drink

Bm Em
And I try to stop and think

A
But I'm buzzed out my mind

And it's getting hard to see, yeah
