

Romualdo Brito - Marchinha da Manga - Manga de Sousa

tom: A

Chegou / chegou / chegou, chegou, chegou

É manga espada? Não

É manga rosa? Não

A manga é laranja? Sim

Veio de sousa, manga, docinha

A fruta é tão boa, o mago já chupou

Manga madura bem geladinha

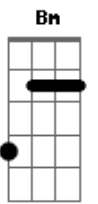

Delivery de mangas maduras
 Foi a secretaria galega que entregou
 Oitocentas bem embaladinhas
 O mago chupou, se lambuzou

Ai ele chupou ai como chupou
 Chupou tanto que deu disenteria
 Vazou pelo pito e se sujou
 Nunca ninguém viu tanta porcaria
