

# Ron Pope - If You Were A Stone

Tom: **Ab**

(com acordes na forma de G)  
Capostrate na 1ª casa  
Intro: 2x: **G D Em C**

Chorus:

If you were a **G** stone then I'd be the **D** rain  
Turn you to **Em** sand as the time slips **C** away  
If you were a **G** tree then I'd be the **D** earth  
Clutching your **Em** roots as you reach **C** skyward

Verse 1:

I am a **G** metaphor for all the things I couldn't **D** say  
It's never **Em** easy, then it **C** hurts  
Like scratching **G** diamonds I have tried to find my way to you **D**  
But we're both **Em** moving in **C** reverse

Pre Chorus:

I wish that we could both find a **G** simple way just to make it **D**  
by **Em**  
Right now I'm alright if you're just **C** fine

Chorus

Verse 2

Some nights you're a photograph fading in my memory  
Some days I feel you on my skin  
We're trading silence  
There are words that seem to steal our breath

And I just dream about your lips

Pre Chorus

Chorus

Chorus 2:

We'd count the **G** stars  
My hands in your **D** leaves  
And I'd hold my **Em** breath 'til we both fell **C** asleep  
If you were a **G** stone then I'd be the **D** rain,  
Turn you to **Em** sand as the time slips **C** away

Bridge: (Mute chords early on)

I will wait, I will wait, I will wait for? **G**  
I will wait, I will wait, I will wait for? **D**  
I will wait, I will wait, I will wait for? **Em** **C**  
I will wait, I will wait, I will wait for you

I will wait, I will wait, I will wait for? **G**  
I will wait, I will wait, I will wait for? **D**

I will wait, I will wait, I will wait for? **Em** **C**  
I will wait, I will wait, I will wait for you

Chorus

Outro:

If you were a **G** stone then I'd be the **D** rain,  
Turn you to **Em** sand as the time slips **C** away (End on **C**)
