

# Ron Pope - One Grain Of Sand

Tom: Eb

(com acordes na forma de C)  
 Capotraste na 3ª casa  
 I don't want hold you if you want to go,  
 I'm not going to make you feel love if you don't  
 I would rather learn what it feels like to burn  
 than feel nothing at all

Verso:

Oh I used to treat you sweetly  
 I would pull you to my chest  
 as you cried about the ocean  
 slipping quickly through your hands  
 you were searching for one grain of sand  
 along an endless beach  
 as I was building you castle  
 that you just refused to see

what do I say, What do I do  
 to show you all the ways  
 my heart is slowly shattering for you  
 what do I say, what do I do

Refrão:

I don't want hold you if you want to go,  
 I'm not going to make you feel love if you don't  
 I would rather learn what it feels like to burn  
 than feel nothing at all

Verso:

You have faded my reality  
 like leaves that turn to dust  
 fell asleep inside a fantasy  
 then woke up feeling lost  
 now I'm terrified and restless  
 but I just cannot escape  
 I wish you had words  
 to cool this fever that is killing me  
 what do I say, What do I do  
 to show you all the ways  
 my heart is slowly shattering for you  
 what do I say, what do I do

Refrão 2x:

I don't want hold you if you want to go,  
 I'm not going to make you feel love if you don't  
 I would rather learn what it feels like to burn  
 than feel nothing at all

ohhhh oh oh oh (x4)

Refrão 3x:

I don't want hold you if you want to go,  
 I'm not going to make you feel love if you don't  
 I would rather learn what it feels like to burn  
 than feel nothing at all
