--Intro:--

--Verse:--

Riff 1  
She sat there  
Riff 2  
eyes open wide  
Riff 3  
and she watched the snow cover the ground outside  
Riff 1  
mittens on her hands  
Riff 2  
a smile in her ear  
Riff 3  
she said in California it hasn't snowed in years

--Chorus:--

**Em**  
So come outside  
**G**  
then we can watch the sky  
**C**  
turn up your palms  
**D**  
and open your hands up wide  
**Em** **G**  
come outside  
**C** **D**  
and open up your eyes

--Verse:--

Riff 1  
sitting next to me  
Riff 2

ties her scarf on tight  
Riff 3  
winter could leave you crying but it brightens up her eyes  
Riff 1  
the snow kisses her cheek  
Riff 2  
where I want to be  
Riff 3  
rest on her shoulder like in a New York dream

--Chorus:--

**Em**  
So come outside  
**G**  
then we can watch the sky  
**C**  
turn up your palms  
**D** **C**  
and open your hands up wide  
**Em** **G**  
come outside  
**C** **D**  
and open up your eyes

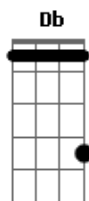

--Bridge:--

**Em** **G**  
Just walk with me  
**Em**  
oh oh  
**G** **Em**  
Take my hand I'll lead you down these city streets  
**G**  
no won't you walk with me  
**Em**  
no won't you walk with me  
**G**  
no ooh

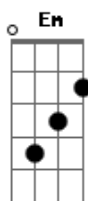

--Outro:--

Riff 1  
When she says goodbye  
Riff 2  
she turns around and smiles  
Riff 3  
next time it snows I'll be on her mind
