

Ronaldo Estevam - As Folhas

Tom: G

Vai! Não volta mais!
 Cai! As folhas caem, estou aqui,
 E há um certo receio em mim.
 Cai! Não volta mais! Posso sentir,
 Que já não faz mais sentido ficar.
 Renovar as folhas. São folhas no outono.

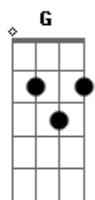

G D
 Quero segurar suas mãos se o céu bloquear
 G D
 As luzes com nuvens, revelando coisas que sei,
 Gbm G
 Aquela chama já se apagou,
 Gbm G
 São folhas que o vento levou.
 Am Am D
 No cinza da cidade sem sol,

Bm Bm Em Am Am D
 Nem uma folha no inverno restou!

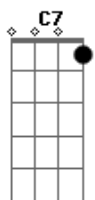

C7 D7 C7
 Cai! Alguém gostou! Você sumiu,
 Eb Gb Gm C
 Nenhuma flor no deserto frio.
 Cm Bm
 Já não caem as folhas,
 Am
 O inverno as destruiu.
