

Ronaldo Estevam - Diga Que Me Ama

Tom: C

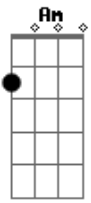

Sinto a cada dia
 A alegria indo embora do meu peito
 Quando estou com você
 Sinto uma imensa paz
 E entendo que ainda posso amar
 Mais do que deveria

Tornar isso possível
 Diga que me ama
 Que te amarei ainda mais
 Pois o som dessa frase é o Sol
 Que brilha num dia de inverno
 A felicidade eterna que me dá
 Só de recordar, vibro de prazer
