```
```
B              Ab
Another future must
Eb                 C
Bring the answers about our decadence
B            Ab
Manipulation of information
Eb              C
Will be a serious trouble for everyone
B                Ab
I look in my mind a strong mistake
Eb              C
Without seeing if something is fact or fake
B                 Ab
But in the past everything was so good
Eb                C
Things were a lot easier than they are today

E  D        Db     G
Oh wonderful was for us

B              Ab
To make confusion
Eb          C
```

```
Generate discord and polarization
B
There's in the backstage
Ab
An intention
Eb                 C
To control what you think and what you do
B                  Ab
I look in my mind a strong mistake
Eb                C
Without seeing if something is fact or fake
B                 Ab
But in the past everything was so good
Eb                C
Things were a lot easier than they are today

E  D        Db     G
Oh wonderful was for us
E  D        Db     G
Oh wonderful was for us

[Solo] E  D  Db  G
       E  D  Db  G

E  D        Db     G
Oh wonderful was for us
