Sou bom pastor, ovelhas guardarei

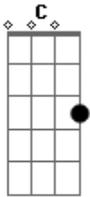

Não tenho outro ofício, nem terei

Quantas vidas eu tiver, eu lhes darei!

Maus pastores, num dia de sombra

Não cuidaram e o rebanho se perdeu

Vou sair pelo campo, reunir o que é meu

Conduzir e salvar

2. Verdes prados e belas montanhas

Hão de ver o pastor rebanho atrás

Junto a mim as ovelhas terão muita paz

Poderão descansar
