

Ronan Keating - I Believe I Can Fly

tom:

I used to think that i could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm kneeling on the everlasting lines

If I can see it
Then I can do it
If I just believe it
There's nothing to it

I believe i can fly
I believe i can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

I believe I can fly
See I was on the verge of breaking out
Sometimes silence can seem so loud
There are miracles in life i must achieve
But first I know it starts inside of me oh oh

If I can see it
Then I can do it
If I just believe it
There's nothing to it

I believe i can fly
I believe i can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly
