

Ronan Keating - When You Say Nothing At All

tom:

Intro: D G Gm D G Gm

D G Gm
Who knows what tomorrow brings
D D G Gm
In a world, few hearts survive
D G Gm
All I know is the way I feel
D D G G G
When it's real I keep it alive

Em A7
The road is long
D D G G
There are mountains in your way
C A7 G A7
But we climb a step every day

D D G G G
Love lift us up where we belong
Em D
Where the eagles cry
C G A7
On a mountain high
D D G G G
Love lift us up where we belong
Em D
Far from the world below
Gb Bm A D G Gm
Up where the clear wind blows

D G Gm
Some hang on to "used to be"
D G Gm
Live their lives, looking behind
D G Gm
All we have is here and now
D D G G G

All our life, out there to find

Em A7
The road is long
D D G G
There are mountains in your way
C A7 G A7
But we climb a step every day

D D G G G
Love lift us up where we belong
Em D
Where the eagles cry
C G A7
On a mountain high
D D G G G
Love lift us up where we belong
Em D
Far from the world we know
E A
Up where the clear wind blows

F C Eb Bb
Time goes by no time to cry
Db Ab Bb Ab Bb
Life's you and I Alive today
