

Roo Panes - Lullaby

Tom: E

m [Intro] Em C D G Em Am D Em E

C
An avenue once bent in shadow
D
In a morning straight and hallow
G
You hold high a destination
Em
You sing to me of sweet revelation
Am D
I feel the quickening in my step
Em E
But I don't even touch the ground

C
'Cause when I see double
D G
It's your lullaby love that keeps me from trouble
Em C
It's your lullaby love that's keeping me level
D Em
It's your lullaby love that keeps me awake

[Solo] Em C D G Em Am D Em E

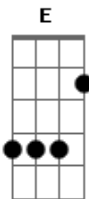

C

When this voice retires from talking
D
When these ears get tired of ringing
G
When my feet get bored of travelling
Em
And it looks like it's all unraveling
Am D
When this heart's too old for dreaming
Em E
That's when I hear the angels sing your lullaby

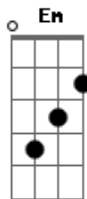

C
'Cause when I see double
D G
It's your lullaby love that keeps me from trouble
Em C
It's your lullaby love that's keeping me level
D Em
It's your lullaby love that keeps me away

C
'Cause when I see double
D G
It's your lullaby love that keeps me from trouble
Em C
It's your lullaby love that's keeping me level
D Em
It's your lullaby love that keeps me away
