[Primeira Parte]

The fallen leaves made an amber sea
Over which you flaunted like an autumn breeze
A sapling soul in a sea of fire
Oh I was afraid for my Ophelia

[Refrão]

But take heart my love
Cause when I see you I see hope
When I see you I see hope
There's a world that needs what you got to give
Take heart my love
Cause when I see you I see hope
When I see you I see hope
There's a world that needs what you got to give

G C G G D G
Aaaaaah Aaaaaah

[Segunda Parte]

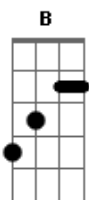

Do you really need all of the things you want?
I'll take you back there, to where the river's from
To where the garden's green but I forever know
Singing you're somebody, heaven screaming on

[Refrão]

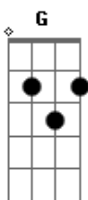

Take heart my love

I'd have you hear
Like you can hear
