

# Rosa Esber - Smoking In The Shower

tom:  
E

Em  
Crying myself to sleep again  
Am D7  
My room looks different  
Em  
But I'm the same  
Em  
Trying to figure it out  
Am D7  
Why can I be enough for you  
Em  
Or me or anyone near  
Am D7  
I miss the air, I miss myself  
Em  
When I used to enjoy life as it is  
Em Bm Am  
But I guess something is changed  
D7  
So I'll be here

Em  
Smoking in the shower again  
Am D7  
Trying to forget how I just felt  
Em  
I guess I'm here to release the pain  
Am D7  
But it doesn't ever goes away  
Em  
I hope there soon will be better days  
Em  
Cause I feel so exhausted  
Bm  
Overthinking too much  
Am  
Now is my superpower  
I want to disappear  
D7  
At this point there is nothing in between  
Em  
Me and the cliff me and the cliff  
Bm

Had to be strong but there's nobody here  
Am D7  
Trying to find the way out but I sink in my tears  
Em  
While I'm smoking in the shower again  
Am D7  
Trying to forget how I just felt  
Em  
I guess I'm here to released the pain  
Am D7  
Trying to convince myself I'm well  
Em  
But I'm here over and over again  
Am D7  
Trying to forget the mess I've made  
Am  
And fix it all with broken faces  
Am D7  
When all I hear it's voices telling me  
Em Bm  
Take me back to the start of our lives  
Am  
When we saw each other  
D7  
And we started to be together  
Em  
Before all was crashing down  
Bm  
Down, down, down, down  
Am  
We held each other  
D7  
And we cared for each other  
F Bm  
And then it all came crashing down, down  
Bm Am  
Take me back to my life  
F  
When you came (When you came)  
Em  
Back to me (Back to me)  
Bm  
And the fire only took  
Am Bm  
What the water just flecked
