

# Rosa Walton - I Really Want To Stay At Your House (feat. Hallie Coggins)

tom:  
[Primeira Parte]

C G Em D  
I couldn't wait for you to come clear the cupboards  
C G Em D  
But now you're gone and leaving nothing but a sign  
C G Em D  
Another evening I'll be sitting reading in-between your lines  
C G Em D  
Because I miss you all the time

[Ponte]

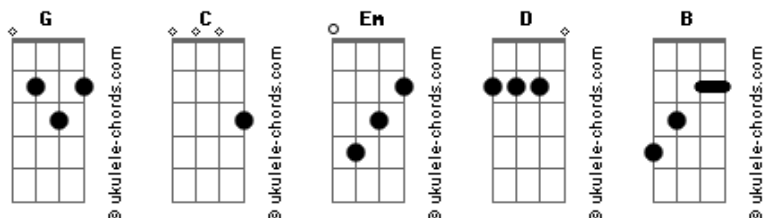

C  
So, get away  
G Em  
Another way to feel what you didn't want yourself to know  
D  
And let yourself go  
B G Em  
You know you didn't lose your self-control  
D  
Let's start at the rainbow  
C  
Turn away  
G Em  
Another way to be where you didn't want yourself to go  
D  
Let yourself go  
C G C  
Is that a compromise

[Refrão]

C G  
So what Do you wanna do, what's your point-of-view  
Em D  
There's a party soon, Do you wanna go?  
C G  
A handshake with you, what's your point-of-view?  
Em D  
I'm on top of you, I don't wanna go  
C G  
'Cause I really wanna stay at your house  
Em D  
And I hope this works out  
C  
But you know how much you broke me apart  
G Em  
I'm done with you, I'm ignoring you  
D  
I don't wanna know  
C G Em D  
And I'm aware that you were lying in the gutter  
C G Em D  
'Cause I did everything to be there by your side  
C G Em D  
So when you tell me I'm the reason I just can't believe the  
lies  
C G C  
And why Do I so want to call you

[Refrão]
