[Primeira Parte]

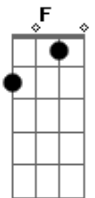

I put a nickel in the telephone, dialed my baby's number
Got a brrr, brrr, brrr,? busy line
Each time?I tried I got a busy?tone, not my baby's number
Just a brrr, brrr, brrr,? busy?line
Called?his uncle in?Jamaica
Left a message?with the baker
Even checked the number in the telephone book
Got so awfully, awfully worried

To my baby's house I hurried
