

# Rose Murphy - Busy Line

tom:

[Primeira Parte]

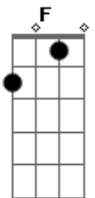

I put a nickel in the telephone, dialed my baby's number  
 Got a brrr, brrr, brrr,? busy line  
 Each time?I tried I got a busy?tone, not my baby's number  
 Just a brrr, brrr, brrr,? busy?line  
 Called?his uncle in?Jamaica  
 Left a message?with the baker  
 Even checked the number in the telephone book  
 Got so awfully, awfully worried

To my baby's house I hurried  
 When I looked inside, the phone was off the hook

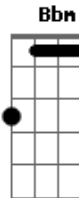

[Segunda Parte]

And as I walked up to my baby then  
 I got my baby's number  
 He was busy in the parlor doing fine  
 Busy kissing someone else  
 While I was keeping busy  
 Getting a brrr, brrr, brrr, busy line
