

Rose - Call It The End

tom:
Intro: G

[Primeira Parte]

We're at a crossroad
And we don't know which way to go

Part of me lost hope
And part of me just can't let go

[Pré-Refrão]

We said we'd cross those bridges when they
Came

Now it's time to give it a name
Yeah, we're at a crossroad

So, baby, let me know

[Refrão]

Do I call you my ex or do I call you my
Boyfriend?

Call you a lover, do I call you a friend?

Call you the one or the one that got away?

Someone I'll just have to forget

Do I call you every night you're gone or
Never call you again?

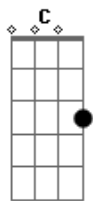

Do we have a futur? or should I call it
The end?

I'm a better me because of you

Yeah, we're at a crossroad
So, baby, let me know

[Refrão]

Do I call you my ex or do I call you my
Boyfriend?

Call you a lover, do I call you a friend?

Call you the one or the one that got away?

Someone I'll just have to forget

Do I call you every night you're gone or
Never call you again?

Do we have a futur? or should I call it
The end?

[Final]

Should I call it the end?

Are we lovers or friends?

Is this as good as it gets?

Should I call it the end?
