

Rose - Messy

tom:
F
You and I are tangled as these sheets
Bb C Dm
I'm alive, but I can barely breathe
Bb C Gm Dm
With your arms around me, it feels like I'm drownin'
Bb C Dm
If I reach for somethin' I can't keep
Bb C Dm
How bad could it really be?

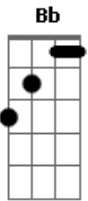

F C Bb
So, baby, let's get messy, let's get all the way undone
F C Bb
Come over, undress me just like I've never been touched
F C Gm
Baby, I'm obsessed with you and there's no replica
F C Bb
Maybe if it's messy, if it's messy, if it's messy
F C Gm
Then you know it's really love

Bb C Dm
I want all of your complicated
Bb C Dm
Give me hell and all of your worst
Bb C Gm Dm
When the party's over and I'm screamin': I hate it
Bb C Dm
How bad could it really hurt
Bb C Dm
