casa Em C G
Hidden underneath the floor

In the attic of my dreams, there's somebody I adore
Em C G
I could smile, I could lie

Em C G
Say I never think about you at all, most of the time

G C G
Maybe it's the way the clouds are painted
C G C D

A perfect shade of yellow all across the sky

G C G
Maybe it's the way the times are changing

C G C D
And I'm stuck in the middle, frozen in a fire

Em C G
But, baby, you're on my mind

C G C
Ooh, ooh-ooh, ooh

G C D
Ooh, ooh-ooh, ooh

Em C G
Doors will open, doors will close

Em C G
In the basement of my dreams, there's somebody I know, mm

Em C G
Yeah, I'm a fool, don't be surprised

Em C
I don't ever think about you at all

Em C
But right now, I just need you to know

G C G
Maybe it's the way the clouds are painted

C G C D
A perfect shade of yellow all across the sky

G C G
Or maybe it's the way the times are changing

C G C D
And I'm stuck in the middle, frozen in a fire

Em C G
But, baby, you're on my mind

C G C
Ooh, ooh-ooh, ooh

G D
Ooh, ooh-ooh, ooh

G D C
You showed up graceful and casually

G C
Our love was what it had to be

G D C
You showed up like you're still attached to me

G C
Our love was what it had to be

G C G
Maybe it's the way the clouds are painted

C G C D
A perfect shade of yellow all across the sky

G C G
Maybe it's the way the times are changing

C G C D
And I'm stuck in the middle, frozen in a fire

Em C G
But, baby, you're on my mind

C G C
Ooh, ooh-ooh, ooh (you're on, you're on, you're on, you're on)
(you're on my mind)

G C D
Ooh, ooh-ooh, ooh (you're on my mind, on my mind)

Em C G
Baby, you're on my mind
