tom:

Intro: **Em** **G**

Em
It almost feels like it was just a dream

All these memories of you and me
Em **D** **G**
Blown away in the summer breeze.
Em
It almost feels like we just never were
G
All the time we spent was just a blur
Em **D** **G**
Now it's just me and a melody.

Em
So what am I
G
Supposed to do
Em **D**
'Cause all these plans we made in the sand are through.

C
Without you
G **D**
I'm on my own
Em **C**
Am I gonna be alone?
G **D** **Em**
And if it's only; me, myself and I
C
Will I be fine?
G **D**
So far from home
Em
And I just don't know
C
Am I gonna make it?
G **D**
Brave enough to take this road
Em **D**
Out on my own

Looking in the mirror's hard to see,

All these choices that I'm caught between,
Em **D** **G**
Who I should and who I want to be.

I want to send in, take this wave, and ride into a brighter
day,

I'll take a chance and a better me.

C **G**
And maybe we're a million miles apart
D **Em**
Or maybe we're standin' heart to heart
C **G**
But no matter what, I'm walkin' right off this stage
D **Em** **C**
And never lookin' back, lookin' back, to yesterday
Cm
No way
G
No way
