

Roxette - Break Another Heart

Tom: E
Intro: E
Break another heart, find another fool.
Take another heart, run and treat it cruel.
Go break another heart into pieces baby, baby.

Verse 1:
You want the beating of another man's heart.
You want that face, to tear us apart, oh baby.
You want that love to take you high in the sky,
I watch you fly, with tears in my eyes.
Now this is the end, this is really goodbye.

Chorus A:
Break another heart, find another fool.
Take another heart, run and treat it cruel.
Go break another heart into pieces baby, baby.
Well I don't want to know and I don't want to stay.
Go cry to some-one else, I will walk away.
Go break another heart into pieces baby, baby not mine.

Verse 2:
I hold a woman I don't know anymore,
I kiss the lips I've kissed a million times before.
I love that body but it don't feel the same,

you play the part in another man's game.
Oh baby baby, this love isn't grey-ayay.

Chorus A:
Break another heart, find another fool.
Take another heart, run and treat it cruel.
Go break another heart into pieces baby, baby.
Well I don't want to know and I don't want to stay.
Go cry to some-one else, I will walk away.
Go break another heart into pieces baby, baby not mine.

Chorus B:
Thinking back all of the nights, I held you so tight.
Two 'young at heart's in the heat of the night,
together side by side.
Baby baby.

Chorus A:
Break another heart, find another fool.
Take another heart, run and treat it cruel.
Go break another heart into pieces baby, baby.
Well I don't want to know and I don't want to stay.
Go cry to some-one else, I will walk away.
Go break another heart into pieces baby, baby not mine.
