

# Roxette - Dance Away

Tom: **F**

(Words by Per Gessle. Music by Per Gessle & Marie Fredriksson)

**G** There's a hidden meaning in everything he says,  
**G** every close encounter, every kiss, every caress.  
**G** Even the truth has got that bitter taste of a lie.  
**F** Well, I can read his lips now **C** but I can't read his mind. **G**

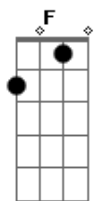

**Em** I can see him dance away now oh oh **C2** - oh oh oh. **D**  
 He was one of the kind that seems so hard to find.  
 There's a change of weather, now he leaves me far behind.  
 That I don't matter to him came as such a surprise.  
 Well, I can read his lips, I thought I read his eyes.

And I can see him...

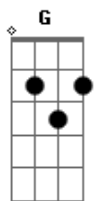

Solo: **Bb F C** (4x) **Em C2 D** (2x)

**Gm** I can see him dance away now oh oh **Eb** - oh oh oh... **F**
