Intro: **D / E D / E D / E D / E**
E B Dbm A E B

You pack your **Db** bag, you take control
You're moving **B** into my heart and into my soul
Get out of my way! **Db** Get out of my sight!
I won't be walking **B** on thin ice to get through the night
Hey where's your work? **E** What's your game? **Dbm**
I know your business **A** but I don't know your name... **A A**

E Hold on tight, you know she's a little bit **B** dangerous
She's got what it takes **Dbm** to make ends meet,
The eyes of a lover that hit **A** like heat
You know she's a little **E** bit **B** dangerous

Db You turn around, so hot and dry,
You're hiding **B** under a halo, your mouth is alive
Get out of my **Db** way! Get out of my sight!

B I'm not attracted to go-go deeper tonight
Hey what's your word? **E** What's your game? **Dbm**
I know your business **A** but I don't know your name...

E Hold on tight, you know she's a little bit **B** dangerous
She's got what it takes **Dbm** to make ends meet,
The eyes of a lover that hit **A** like heat
You know she's a little **E** bit dangerous
Oh just a little **B** bit dangerous...
