

# Roxette - Don't Believe In Accidents

Tom: F

Intr: Am F G (2x)

Anything can happen when I wind up alone with you.

You put your finger on the things I like to do.

Well, anything can happen... There's a field in the air around you,

commanding parts of me I never ever knew.

I want your love of flesh and blood, hey you!

This was really meant to be.

It's for sure our destiny, making lovers out of friends.

I don't believe in accidents

Anything can happen when you hit that electric room in me.

I lose the time, the place and everything I see.

Well, anything can happen...

There's nothing else in the world I'd rather do,

than to free the secret dreams hidden in you.

You want the love of flesh and blood, hey you!

This was really meant to be.

It's for sure our destiny, making lovers out of friends.

Don't believe in accidents.

I don't believe in accidents.
