Wash my pain away,
G C2
                     A D
Half a woman, half a shadow...
D
Daylight is breaking again.
      G
I hide in the dark. I'm watching the rain.
С
                         Em
You're out of touch. You're out of reach.
 Α
                        G
What can I say, I never wanted it this way.
D
Love sleeps all alone.
G^2 The cold telephone, I know the heart.

Acordes

C2 Em Yes, I know the kind. The kisses of fire, A G D turning to grey. I never wanted it this way. G A I always wanted you to stay. G C2 D G

Cause I'm half a woman, half a shadow.

Love always change with the trees, the spring and the leaves, the waves on the sea. Wilder than light the wind in your eyes led me astray. I never wanted it this way. I always wanted you to stay.

D G D G D G C2 Oh I need you, yes I need you. Give me a reason to believe.
