

Roxette - How Do You Do!

```
tom:
I see you comb your hair and gimme that grin
      F C F
It's making me spin now, spinnin' within
Before I melt like snow
  F G F C F G
I say Hello - How do you do!
I love the way you undress now. Baby begin
Do your caress, honey, my heart's in a mess
              F
I love your blue-eyed voice
          F G F
Like Tiny Tim shines thru. How do you do!
      G
 (How do you do!)
Well, here we are crackin' jokes in the corner of our
mouths
And I feel like I'm laughing in a dream
If I was young I could wait outside your school
                         F7M
 Cos your face is like the cover of a magazine, magazine
How do you do, do you do, the things that you do
          Eb Ab Bb
No one I know could ever keep up with you
                Ab Bb
                                             C Ab Bb
How do you do! Did it ever make sense to you to say Bye Bye
Bye?
I see you in that chair with perfect skin
F C F G Well, how have you been, baby, livin' in sin?
```

```
Hey, I gotta know, did you say Hello - How do you do!
How do you do! Haaw!
[Solo] C F G F
      C F G F C F G
Well, here we are spending time in the louder part of town
 And it feels like everything's surreal
When I get old I will wait outside your house
Cos your hands have got the power meant to heal
How do you do, do you do, the things that you do
Eb Ab Bb
No one I know could ever keep up with you
                  Ab Bb
                                              C Ab Bb
How do you do! Did it ever make sense to you to say Bye Bye
Bye?
(Bb C Eb Bb)
        Well, here we are crackin' jokes...(how do you do!)
