

Roxette - Listen To Your Heart

Tom: G

Bm G A Bm
 I know there's something in the wake of your smile
 I get a notion from the look in your eyes
 You've built a love but that love falls apart
 Your little piece of heaven turns too dark
 Listen to your heart when he's calling for you
 Listen to your heart there's nothing else you can do
 I don't know where you're going and I don't know why
 But listen to your heart before you tell him goodbye

G A Bm
 Sometimes you wonder if this fight is worthwhile
 The precious moments are all lost in the tide
 -3--3-----
 -2h4-----2/4-
 They're swept away and nothing is what it seems
 The feeling of belonging to your dreams
 Listen to your heart when he's calling for you
 Listen to your heart there's nothing else you can do
 I don't know where you're going and I don't know why
 But listen to your heart before you tell him goodbye

 And there are voices that want to be heard

 So much to mention but you can't find the words

 The scent of magic, the beauty that's been
 B Db

When love was wilder than the wind
 Listen to your heart when he's calling for you
 Listen to your heart there's nothing else you can do
 I don't know where you're going and I don't know why
 But listen to your heart before
 Listen to your heart when he's calling for you
 Listen to your heart there's nothing else you can do
 I don't know where you're going and I don't know why
 But listen to your heart before you tell him goodbye

Listen to your heart
 Listen to your heart (take a listen to)
 Listen to your heart (take, take a listen to)

Listen to your heart
 Listen to your heart
 Listen to your heart

Listen to your heart
 Listen to your heart

Listen to your heart
 Listen to your heart
