

# Roxette - Never Is A Long Time

Tom: **Bb**

Verse 1:

(**Gm**)  
 You build it up and tear it down, **Bb**  
 there's no reason to follow you. **Gm**  
 You left the song without a sound, **Bb**  
 you left the story I made for you. **Gm**  
 Softly angels go and cry, **Eb**  
 in the stillness of the night. **F**

Chorus:

Never is a long time, goodbye. **Bb Eb**  
 No answers for the asking. **Cm Gm F**  
 It's a long time, goodbye. **Bb Eb**  
 No mercy for the aching. **Cm Bb F**  
 It's a long time, Oh my. **Bb Eb**  
 See no light for the forsaken. **Cm Bb F**  
 Never is a long time, goodbye. **Bb Eb**  
 Let's spend the night, **Cm Gm**  
 when this dream has come to an end. **F Bb**

Verse 2:

Sometimes you laugh, sometimes you cry.  
 And yes I cried over you. **Gm**  
 You left me blind in paradise, **Bb**  
 you left me hungry for the touch of you. **Gm**  
 Snow white angels run and hide, **Eb**  
 in the blackness of the night. **F**

Chorus:

Never is a long time, goodbye. **Bb Eb**  
 No answers for the asking. **Cm Gm F** {never is a long time}  
 It's a long time, goodbye. **Bb Eb**  
 No mercy for the aching. **Cm Bb F** {never is a long time}  
 It's a long time, Oh my. **Bb Eb**  
 See no light of love forsaken. **Cm Bb F** {never is a long time}  
 Never is a long time, goodbye. **Bb Eb**  
 Let's spend the night, **Cm Gm**  
 when this dream has come to an end. **F Bb**  
 Never is a long time.  
 Never is a long time.
