

Roxette - Shadow Of A Doubt

Tom: A

Gbm E D Dbm7 Gbm
 I heard your heart, you held it close to me.
 The wild embrace, the silent sea,
 a whisper of imagery for Lovers Supreme.
 But now I'm lost in the crowd,
 no shadow of a doubt
 it's all over now,

Gbm
 no shadow of a doubt.
 You changed the dream. You changed the scenery,
 the tender touch, the urge to breathe,
 there under a lovelit sun what's lost could be found.
 But now, no trace of a sound...
 But now, no trace of a sound,
 no shadow of a doubt.
 I'm faraway bound.
 No shadow of a doubt.
